

*What is Temari?
An Introduction to How You Make It
By Pat Sullivan
March 13, 2023*

'Mari' is ball in Japanese and 'te' is hand. So how did a 'handball' become the beautiful, embroidered art that it is today?

Pat Sullivan, a weaver on and off since 1982, likes to have some hand work with her while traveling, waiting or in meetings. When she discovered temari eight years ago, she found a craft perfect for this purpose. Pat also enjoys working with weave structure, pattern, and color. Embroidering a temari ball provides the opportunity to work with all of these.

Pat's presentation on temari will include a history of the craft, her experience learning it, and an introduction to how one makes a temari ball – a chance for you to preview what you will be learning in Marilyn Romatka's workshop that will be the May 8 meeting.

This **in person** meeting will take place at Azure Hills SDA Church, 22633 Barton Rd, Grand Terrace and will be broadcast Via Zoom. The meeting starts at 10:00 a.m.
