

Beginning Temari Balls

With Marilyn Romatka

Japanese Thread Ball WORKSHOP

May 8, 2023

Join us May 8 for this beginning Temari workshop. Marilyn will teach us how to embroider the temari ball above; it is the easiest. You will learn how to divide the ball and the basic stitch used to embroider it. When finished, it looks spectacular. **This is a 3-hour Zoom workshop.**

It is necessary to sign up for the workshop and pay a materials fee.

Kit one – a Temari needle, a measurement strand, 6 glass-head pins for place holding, a bobbin of 'bling' thread, and an 8-page full color handout. (NO TEMARI BLANK) **COST: \$8**

Kit 2 - a Temari blank, one Temari needle, a measurement strand, 6 glass-head pins for place holding, a bobbin of 'bling' thread, and an 8-page full color handout. **Cost: \$32.**

Materials student need to bring: sewing snips, a 'normal' hand sewing needle and 5/2 cotton in their favorite colors.

You may opt to bring your own Temari blank. Pat Sullivan will demonstrate how these are made at her March 17 program, and they are available online.

Beware: Blanks online vary in size from very small to very large.

Guests are welcome to take the workshop, but there is a \$15 Nonmember fee.
