~ ~ ~ ~ ~

May Program is LACE Weaves,
A study group was formed from IEHG members that had a similar
interest in learning more about lace weaves. The different weave
structures chosen to be studied were Huck, Bead Leno and Doupe Leno.
The results from this group will be shared at the May meeting. You will
be able to try some of these on looms and see samples and completed
projects.

Greetings from Gail

It is really exciting to see the interest and dedication that so many of you have in seeing that we have great activities and meetings. Our newest undertaking will be to continue our 2nd Monday monthly meeting on through the summer.

These will be a less formal gathering with members meeting at the homes of our volunteer hostesses. So unless the hostess says otherwise plan to bring your own project weaving, spinning, whatever and of course a refreshment. Hostess will provide drinks. Our July meeting will be at Maggie's home in Diamond Valley near Hemet and August will be sponsored by the Arrowhead area Mountain Group. I hope that you will try to attend both of these meetings. It is always fun to see another members weaving space and this kind of gathering allows for more discussions and interactions. Some day I would like to see us plan a progressive meeting where we tour the studios and weaving spaces of several members in a given area. Kind of like an old fashioned 'progressive dinner'!

Our May meeting looks like it will be a very inspiring one, maybe lace weaves could be incorporated into our Guild Challenge for next year, lets all go and find out about lace weaving techniques.

It is time to sign up for the Shibori workshop to be held October 7,8 & 9 because in May registration will open to non guild members and space is limited.

You really won't want to miss out on this great workshop. Please contact our Program chair Maggie.

See you soon and happy weaving.

Gail
