Greetings from Kathy

The weather has certainly been beautiful and the calendar seems to be filling up with all sorts of activities that I find myself longing to have some quiet time with my spinning wheel or my loom. Kicking off my shoes and putting my feet on the treadles always brings my heart rate down and my spirits up. So, I ask myself, "Why don't I make more time to do what I love?" I remember the words of our former Program Chairperson Sallie Scanzoni - if we take ½ hour a day out of our hectic schedules to weave, spin, knit or whatever feeds our soul, we would be amazed at the progress we make and how good we will feel about it. So, I am going to take Sallie's advice and dedicate a certain amount of time each day to my fiber work and I'm going to do it "before" all my chores. I was raised to work first and play later but I really love the quote "Life is short. Eat dessert first."

I am really excited about our June luncheon and fashion show and especially look forward to seeing what project(s) each person brings to share and having the opportunity to visit with everyone. Please be sure and read the article from our Program Chairperson for details.

Until then, stay warped.

Kathy
