Greetings from Kathy

Inspiration – "The infusion or arousal within the mind of some idea, feeling, or impulse, especially one that leads to creative action." *The Reader's Digest Great Encyclopedia Dictionary*

Does this definition summarize how you felt after the June luncheon and fashion show? For me, I left that beautiful oasis in the middle of Riverside truly inspired by you and the wealth of technique and knowledge that each person holds. And, what continues to inspire me is the list of talented fiber artists that our Program chairpersons have enlisted to teach and further motivate us. All you have to do, as IEHG members, is show up at our meetings ready and willing to be further inspired and continue to share your talents and motivate others. There were 42 members and guests who participated in the June 10th luncheon and the buzz afterwards, from the many emails I received, was "it was such a great time getting to visit with each other." Let's carry on that time of getting to know each other as we venture into our casual summer program starting off with the July 8th gathering at Lake Arrowhead where Camille and Sallie provide us with a lovely location and program.

Until then, stay inspired!

Kathy
