Presidents message...

Hello to you all,

If you haven't had many opportunities to spin or weave, the guild is offering plenty of wonderful fiber opportunities coming up in late May and throughout the summer. Plan to put the following events on your calendar and be there to experience the fun.

As announced at our last meeting, several guild members have been working behind the scenes with the folks at the museum, and we are coordinating a **"Sheep to Shawl"** event **Saturday, May 30th from 11am to 4pm**. Come to the museum and bring your weaving, spinning, knitting -- whatever you want to work on and join the group as we all demonstrate fleece carding, yarn spinning, dyeing and then weaving on the loom.

In June we will have our now "traditional" luncheon and extended show and share of our weaving, spinning, sewing, felting and other creative arts. Bring in your guild challenge project "Weaving Something New!" It will be a lovely day spent at Bill Kleese's beautiful home in Riverside.

Our "informal" summer meetings also are a must attend, if you're in town. Our July meeting will be in Riverside, hosted by Lynda Yoho. In addition to your own UFO's (Un-Finished Objects) we'll have the unique opportunity to be with Judy Frater, who will bring her lovely supply of textiles from around the world. Bring your checkbook as well, since you will have the ability to purchase these lovely fabrics and finished pieces. Please note that this meeting will be on the **THIRD Monday of the month--July 20th**.

. Keep weaving, spinning and creating!

Kathleen Waln
