Presidents message...

Hello to you all!

As I write this missive on the eve of our Summer Solstice, I find it difficult to believe 1/2 of the year has already past us by. However, our guild members have accomplished a great deal in that time. We've had some lovely programs presented by our membership, as well as programs from established fiber artists.

It is appropriate to thank Bill and Hal again for hosting our June meeting at their beautiful home. And let's not forget to acknowledge the exciting work from our membership. Our "Something New" challenge inspired some lovely creations. Thank you all for sharing. We will come up with a new challenge for the next year. I look forward to seeing what you all create.

Our "informal" summer meetings sound intriguing! Our July meeting will be in Riverside, hosted by Lynda Yoho. Remember, it will occur on the **THIRD** Monday of the month--July 20th. In addition to your own UFO's (Un-Finished Objects), special guest Judy Frater will attend with fabrics and accessories from India. I look forward to the work of these international artists. Be sure to mark your calendar and follow the directions to Lynda's home in Riverside to attend this summer session.

Enjoy what the summer season has to offer, keep cool and most especially, keep weaving, spinning and creating!
