Huck Lace Sampler Mug Rugs - Vicki Hughes

This class covers weaving on two types of looms:

- 1) Those that have movable shafts controlled by levers or treadles, and
- 2) The rigid heddle loom.

The class is designed for:

- 1) Students who have no weaving experience,
- 2) Former weavers that have not woven in a long time and need a refresher course,
- 3) Weavers who still need some guidance, and
- 4) Weavers interested in broadening the scope of their weaving.

A session consists of seven 3-hour classes which are offered morning and evening. One or more projects will be completed during the course of instruction, but will require doing some weaving at home. Classes are conducted in Redlands, and require a membership in the IEHG guild or another weaving guild. Classes are limited to a maximum of 4 students.
